

**DUMBO IMPROVEMENT DISTRICT
(DUMBO BID)**

REQUEST FOR PROPOSALS

**TO MANAGE AND OPERATE A FOOD AND BEVERAGE
SUBCONCESSION AT PEARL PLAZA**

ISSUE DATE: February 26, 2018

DUE DATE: March 9, 2018

I. INTRODUCTION

The DUMBO BID, a not-for-profit corporation organized under the laws of the State of New York, is seeking proposals (“Proposals”) from qualified firms (“Proposers”) by this request (“RFP”) to manage and operate a FOOD AND BEVERAGE subconcession (“Subconcession”) at the Pearl Plaza located on Water Street between Adams Street and Anchorage Place in DUMBO, Brooklyn, NY, as more particularly hereinafter described (referred to as the “Plaza”). The Plaza is furnished with tables, chairs, and planters, and is open year-round (weather dependent).

It is the goal of the DUMBO BID to work closely with the chosen Proposer to create a Subconcession that is successful and enhances the atmosphere of the Plaza and this vibrant neighborhood. The Subconcession should provide an amenity for those who work and live in the area as well as those who visit the Plaza.

The DUMBO BID was created in 2006 and provides a number of programs and services in the area, including supplemental sanitation services, marketing, promotions, events small business support and capital improvements for the neighborhood of DUMBO, Brooklyn.

The Plaza was constructed/installed by the New York City Department of Transportation (“DOT”) in 2008. The DUMBO BID has a concession license agreement (“License Agreement”) with DOT for the operation, management and maintenance of the Plaza allowing for the operation and management of subconcession(s), where no leasehold or other proprietary rights are offered. The DUMBO BID will make copies of the License Agreement available to any Proposer who wishes to review it in its entirety. The DUMBO BID is responsible for the ongoing maintenance of the Plaza. Such maintenance services will include but not be limited to cleaning and trash removal, snow removal (walkways), landscape maintenance, and repairs.

The aforementioned responsibilities are more specifically defined in the Services section of the License Agreement with DOT. The Subconcession should not present an undue burden on the operations of the DUMBO BID and its maintenance of the Plaza.

The DUMBO BID envisions a festive, community gathering space for eating and drinking that would be an amenity for the neighborhood's creative companies, families and residents.

The section of Pearl Plaza included in this RFP is the area known as “The Archway under the Manhattan Bridge” (The Archway), located directly under the Manhattan Bridge in the center of DUMBO, Brooklyn. This area has been utilized for events and markets in the past with great success. Please note that The Archway is a covered space. See Attachment A for a Plaza Map and Attachment B the Neighborhood Map.

II. SUBLICENSE AGREEMENT

A. If a satisfactory Proposal is received, it is anticipated that the DUMBO BID will enter into a sublicense agreement (the “Sublicense Agreement”) with the successful Proposer for a period starting on execution of the Sublicense Agreement and for a maximum term ending on December 31, 2019 (“Sublicense Period”). Two additional one-year options to renew may be in effect subsequent to the initial term, contingent on the DUMBO BID’s renewal of its License Agreement with DOT.

B. Although the Sublicense Agreement may be in effect for up to XX years, a termination clause for both parties shall be included in the Sublicense Agreement. The successful Proposer will be required to execute terms of the Sublicense Agreement, which may include terms and conditions, including but not limited to those outlined in Appendix B.

C. The Proposer is advised that the Sublicense Agreement is subject and subordinate to the License Agreement with DOT.

V. TERMS GOVERNING REQUEST AND SELECTION

A. Review of Proposals

The DUMBO BID will review all Proposals for completeness and compliance with the terms and conditions hereof. The DUMBO BID reserves the right to request additional materials, including those it may deem useful or appropriate to evaluate each Proposer's qualifications and past experience, or clarification or modification of any submitted Proposal. Submission of a Proposal shall constitute the Proposer's permission to the DUMBO BID to make such inquiries concerning the Proposer, as the DUMBO BID in its discretion deems useful or appropriate. The DUMBO BID is not obligated to make any such request or to accept any unsolicited materials, clarification, and modification or background information. The DUMBO BID may conduct discussions with Proposers submitting acceptable proposals but it also may award a sublicense with no further discussions. The DUMBO BID reserves the right, in its sole discretion, to reject at any time any or all Proposals, or to withdraw this Request without notice.

The DUMBO BID will select the Proposer which, in the sole judgment of the DUMBO BID and approved by DOT, most successfully demonstrates the necessary qualities to undertake the project as stated in IV (B) below. The DUMBO BID reserves the full right to reject all Proposals if it so chooses. Under no circumstances will the DUMBO BID pay any costs incurred by a Proposer in responding to this Request. The review or selection of a Proposal submitted by a Proposer will create no legal submission or equitable rights in favor of the Proposer, including, without limitation, rights of enforcement or reimbursement.

Failure by the DUMBO BID for any reason to select a Proposer or to enter into a Sublicense Agreement with a Proposer once selected as a result of this Request will not create any liability on the part of the DUMBO BID or any of its members, officers, employees, agents, consultants or other Proposers. Submission of a Proposal in response to this Request will constitute a waiver of any claim against any of the foregoing for any costs incurred or for any matters arising thereunder or in connection with the review of such Proposal by the DUMBO BID.

The successful Proposer shall be required to complete and file VENDEX questionnaires if the aggregate value of City contracts, franchises and concessions awarded that successful Proposer, including this Subconcession, during the immediately preceding twelve-month period equals or exceeds \$100,000.

B. Selection Criteria

Proposals will be evaluated based on the following criteria (see section V below):

- Annual fee proposal (30 percent);
- The Proposer's expertise and experience as a Food and Beverage establishment (20 percent);
- The quality of proposed operations and service model (20 percent);
- Design proposal for Subconcession (and surrounding seating area, if applicable) (30 percent).

C. Execution of Sublicense Agreement

The submission of a Proposal shall constitute an agreement by the Proposer to execute a Sublicense Agreement with the DUMBO BID, which may include terms and conditions outlined in Appendix B in addition to any other terms and conditions deemed appropriate by the DUMBO BID and DOT. If the DUMBO BID notifies the Proposer that it has been selected, then Proposer shall execute a Sublicense Agreement with the DUMBO BID within 45 days of such notification and receipt of an executable copy. In the event that the successful Proposer fails to execute a Sublicense Agreement expeditiously for any reason within such period, the DUMBO BID may void the selection and negotiate and execute a Sublicense Agreement with another Proposer. The DUMBO BID may also decide not to enter into any Sublicense Agreement.

VI. RESPONSES TO THIS PROPOSAL

A. Pre-Proposal Conference

A pre-proposal conference will be held on March 2nd at 12:00pm at the Pearl Plaza on Water Street between Anchorage Place and Adams Street in DUMBO, Brooklyn 11201. Attendance is mandatory. See section III (A) above.

B. Proposer's Annual Fee for Subconcession

Proposers shall provide a minimum annual fee proposal in response to this RFP. The DUMBO BID reserves the right to negotiate a percentage value of the successful Proposer's annual gross revenues as an option to the annual fee, whereby the successful Proposer would pay the DUMBO BID either the proposed annual fee or the negotiated percentage of annual gross revenues, whichever is higher on an annual basis.

C. Description of Proposer's Experience and Qualifications

Proposers shall provide information about all of their existing Food and Beverage operations, including specific locations, number of years in business, information on customer base and/or sales, etc. Proposers shall highlight the quality and uniqueness of existing Food and Beverage operations. If applicable, Proposers should provide specific examples of any existing or prior Food and Beverage subconcession(s) operating in public spaces in New York City. Information on how these operations attract and retain customers and enhance and provide amenities for public spaces shall also be included.

D. Minimum and Additional Services to be offered

At a minimum, the successful Proposer shall provide a Subconcession for the Plaza. The placement of the Subconcession and surrounding seating area, if applicable, shall not block pedestrian walkways or in any way create an impediment to pedestrian and public safety in the Plaza. No products or merchandise beyond Food and Beverage shall be provided for sale without prior approval from the

DUMBO BID and DOT.

The successful Proposer must provide for the removal of all trash, litter and/or debris from the Subconcession area. Areas are to be cleaned throughout the course of the day such that these areas remain clean on a continuous basis. Trash, litter and/or debris build-up for end-of-day removal shall not be permitted.

The successful Proposer may/must also provide the following services:

- Seating Area – Proposers may provide seating in conjunction with the Subconcession, subject to approval by DUMBO BID and DOT. Such seating cannot be exclusively designated for Subconcession use only, unless otherwise approved by DOT. Tables and chairs may be stored on-site but it will be the responsibility of the successful Proposer to secure them each night. If the successful Proposer is providing a seating area specific to the Subconcession, the cost of supplying, maintaining, and replacing the tables and chairs would be the responsibility of the successful Proposer. Please refer to the site diagram for a layout of the Plaza.
- Proposers are responsible for cleaning their subconcession area and any excess trash produced by the subconcession.

E. Other Considerations

- No permanent infrastructure will be allowed in the Plaza, nor is there any guarantee that storage in the area will be available. Moveable but non-mobile structures or other light structures that can change position will be considered, and the Subconcession must be self-sustaining with regard to water and power. The successful Proposer may need to be flexible at times due to events and other activities that occur in the Plaza that might temporarily displace the Subconcession.
-
- Menus and price lists shall be subject to the approval of the DUMBO BID and DOT. The DUMBO BID shall receive notification of any price increases for the duration of the Sublicense Period.
- The hours and days of operation are the successful Proposer's decisions, subject to approval by DUMBO BID and DOT, provided that the Subconcession may not begin operating prior to 7 AM or after 10 PM on any given day, and that all tables and chairs must be removed from the Subconcession area by the successful Proposer no later than 11 PM.
- The successful Proposer may be permitted to serve alcoholic beverages (beer and wine only) at the Subconcession within the designated seating area if the successful Proposer obtains the required State Liquor License, a copy of which must be submitted to the DUMBO BID prior to the commencement of any alcoholic beverage service. Subconcession staff serving alcoholic beverages must be of legal age, and Subconcession staff will be required to check identification of all patrons to ensure that the legal drinking age is enforced.

F. Authority to Provide Food and Beverage Service

Complete copies of all relevant permits, licenses, operating certificates and other documents that provide or otherwise evidence the Proposer's due authorization to conduct Food and Beverage in the City of New York must accompany its response to this Proposal, together with copies of any violations

issued by The New York City Department of Health and Mental Hygiene and their status. The DUMBO BID will expect the successful Proposer to maintain the highest health code ratings.

G. Design of Subconcession

Using **Attachment C**, the Subconcession Area Plan, each Proposer shall provide a layout of the area proposed to be used for the Subconcession at the Plaza. There are specific constraints to the space as indicated in **Attachment C**.

A description and conceptual drawings of the proposed Subconcession and surrounding area shall be provided with the responses to this Proposal. Such descriptions and drawings shall include but not be limited to color, dimensions, material and other similar specifications, accompanied by photographs and manufacturer specifications of proposed furnishings. The DUMBO BID expects the Subconcession to enhance the aesthetic of the Plaza to integrate with the overall context of its surrounding area.

As referenced above, no permanent infrastructure will be allowed in the Plaza. Only moveable but non-mobile structures (i.e. no wheels) or other light structures that can change position will be considered.

Propane and any other flammable or hazardous materials are prohibited within 12 feet from the Manhattan Bridge and its approaches, including The Archway. Additionally, such materials shall not be stored on the Plaza overnight or when the subconcession is unattended. No objects shall be placed within at least 3 feet of the Manhattan Bridge and its approaches, including The Archway.

Four 20-amp outlets exist in the Archway, which may be accessed but is subject to all appropriate review and approval.

The proposed Subconcession must be self-sustaining with regard to water. There is no reliable water source in The Archway.

There is free WiFi in the Plaza that can be utilized for Point-Of-Sale operations if needed, but the proposal should also have a plan in place that utilizes cellular data.

Approval of the Subconcession design and surrounding area shall be at the sole discretion of the DUMBO BID and the City, including but not limited to the following entities, LPC, PDC and DOT. The decision is final and binding upon the selected Proposer.

DUMBO BID reserves the right to require higher liability limits and other terms, if warranted.

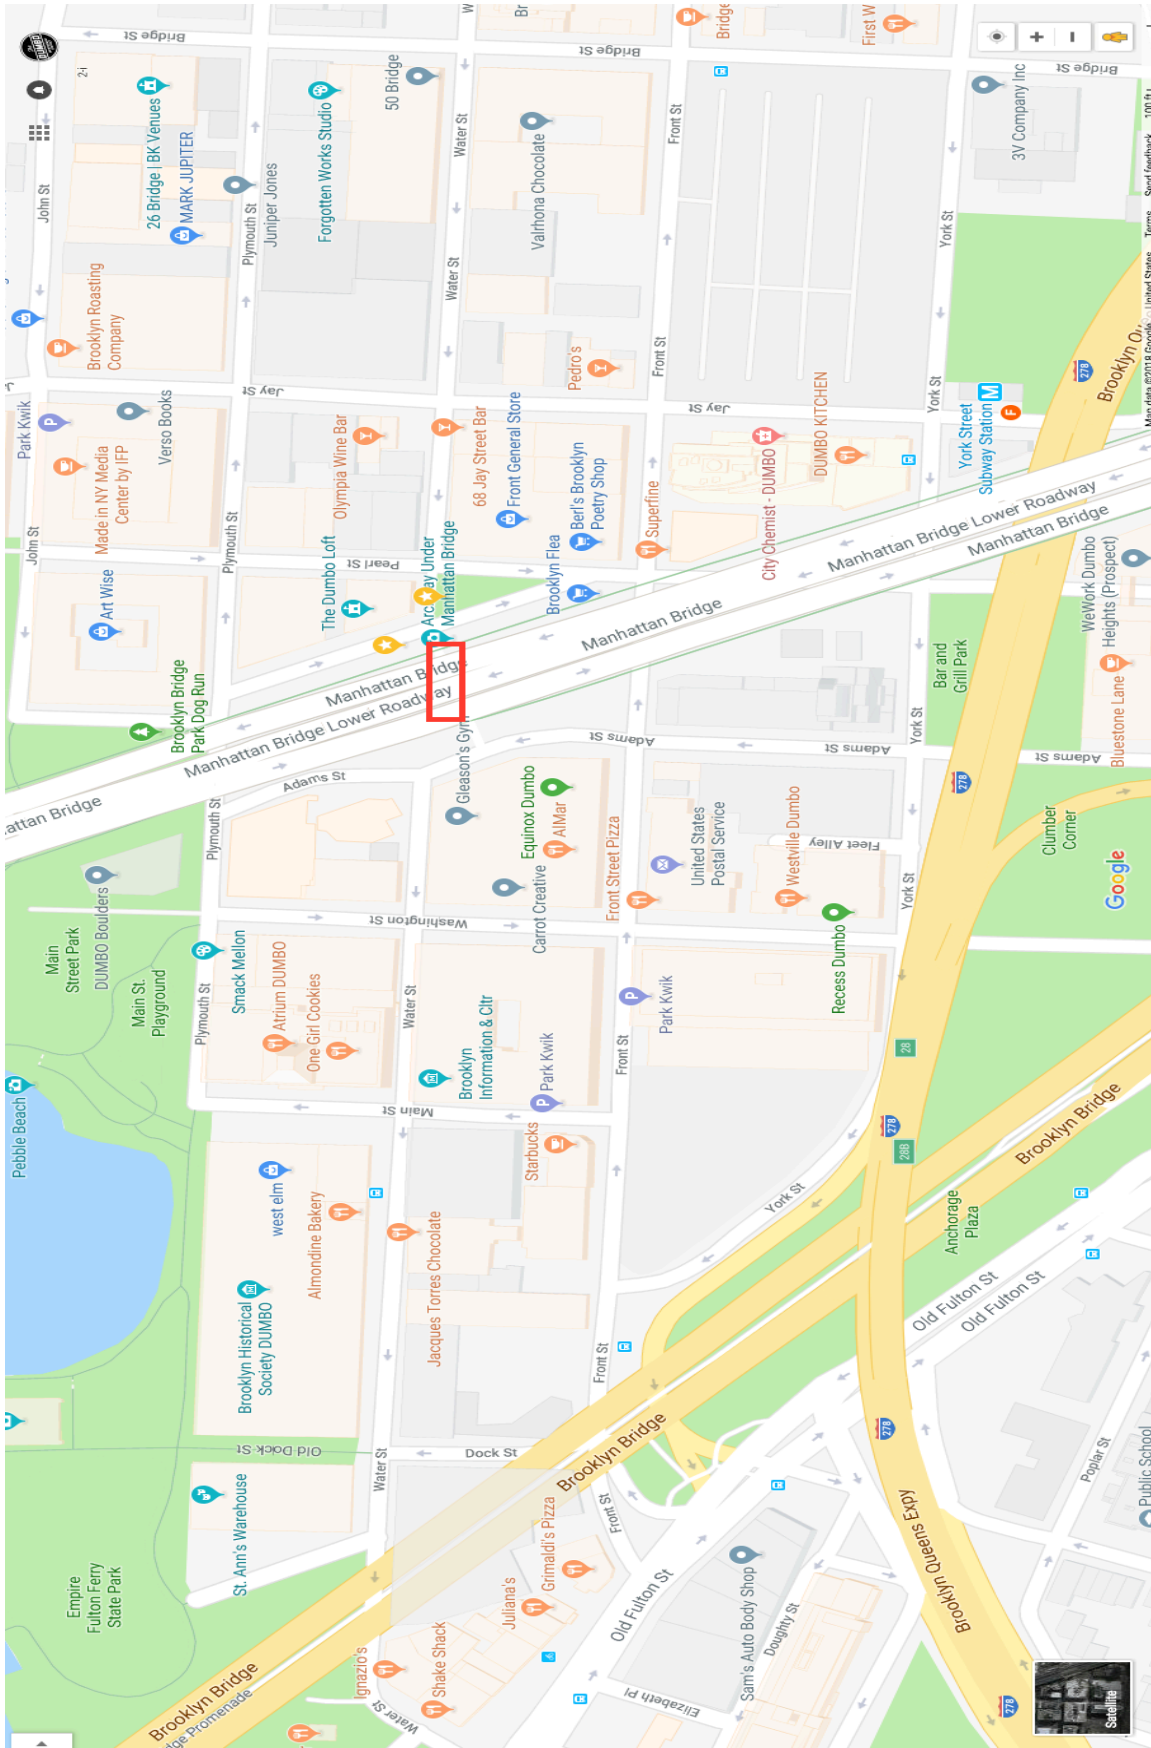

4. The successful Proposer shall indemnify and hold harmless the DUMBO BID and the City/DOT with respect to the operation of the Subconcession.

5. The successful Proposer shall faithfully perform and carry out the provisions of Sublicense Agreement and cause its agents, employees, and invitees to conform to all rules, regulations, and orders now prescribed or which may hereafter be prescribed by DOT and the DUMBO BID. The successful Proposer shall also comply with all laws, regulations, rules and orders of any kind whatsoever and of any agency or entity of government whatsoever applicable to the Subconcession and the successful Proposer's use and occupation thereof, including but not limited to the provisions of the New York State Labor Law regarding gratuities.
